

MICHIGAN PERIODONTAL ASSOCIATION

2025 Meeting Information

Please consider supporting the MPA, whether or not you can attend the meeting. Given new periodontal products, claims of superiority and lack of evidence-based research, the MPA needs your financial assistance to make sure that organized dentistry and the public are fully informed about our profession.

Private Practice - **\$250**

Full Time Faculty - **\$125**

Retired Members and Graduate Students are **FREE**

The annual MPA meeting will be held on **Saturday, February 1, 2025**

at the

Sheraton Detroit Novi Hotel

21111 Haggerty Rd

Novi, MI 48375

Guest Lecturer: Gustavo Avila-Ortiz, DDS, MS, PhD

Topic: Management of Extraction Sites: Scientific Evidence and Clinical Translation

- Review the sequence of biological events that take place after tooth extraction, and how the result of these processes may affect future implant placement and restorative therapy
- Discuss the role of critical factors in healing dynamics following tooth extraction
- Understand the rationale and scientific evidence supporting different treatment options available for the management of the extraction site, as well as their indications and limitations
